TONY (V.O.)
Are you a man or what? Can't lift your legs higher?

RAJ (V.O.)
Shut up, this is first time. How can it go higher like your's?

TONY (V.O.)
Obviously, you've been moving fingers since childhood, what else will you shake?

RAJ (V.O.)
Hey, don't act smart. What next?

Nisha slowly slides the tray on a table kept near the door and carefully listens.

TONY
Now spread legs as much as possible!

RAJ
Aaa...It hurts below!

TONY
Don't talk like a girl. Spread further...Yes...More!

Raj tries harder making a painful face and falls.

RAJ
Can't do it more. It pains below!

TONY

Good. Now fold your keens!

Raj gets up but fails to bend his knees. Tony hits on his knee. Raj again loses balance and falls.

RAJ

It hurts man. Don't touch me!

TONY

This is just the beginning, kid.
See what happens next!

RAJ (V.O.)

Aaa, what are you doing? My legs
will rip off!

TONY (V.O.)

Everyone gets screwed in the
beginning. First achieve the
mastery then see. C'mon, now insert
your head between the two legs,
like this!

RAJ (V.O.)

What!?

Tony's voice shakes. Nisha slides back the tray on the table and checks the door keyhole with her finger.
